

front

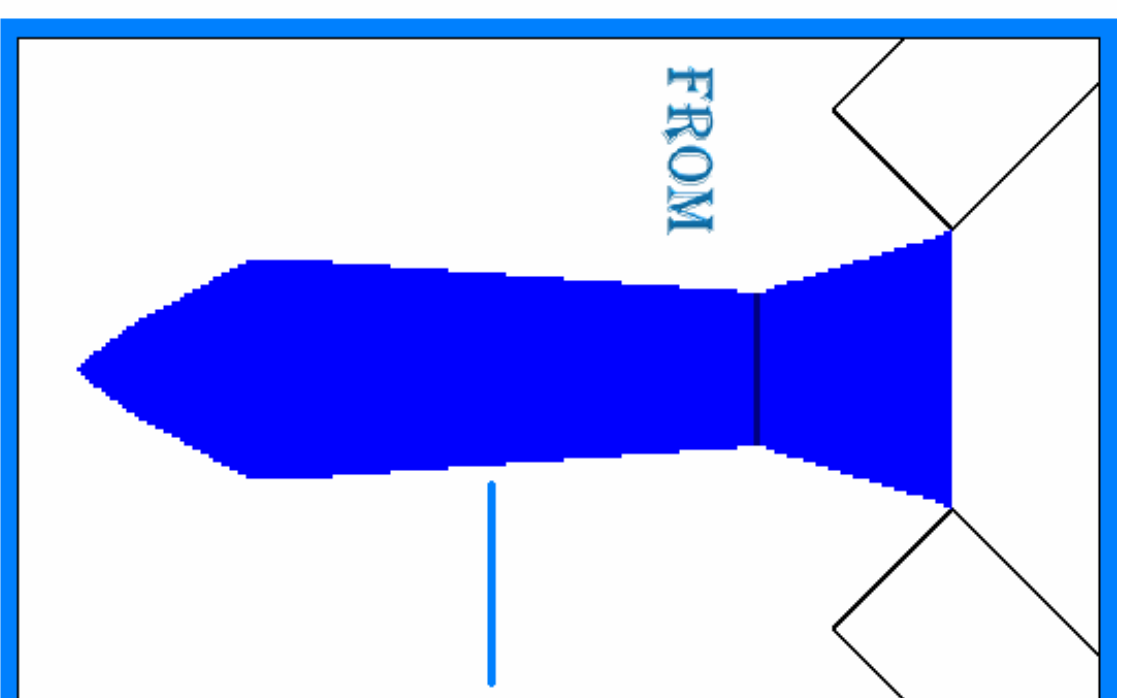

Make a voucher book for Father'sday!

Cut out the front and the back.

Then cut out the vouchers you want to give him.

(There are 2 empty ones too in which you can write something yourself.)

And then make a book out of it by using a staple, or by using the perforator to make 2 holes in it, so you can tie it with a ribbon or some wool. Have fun!

back

And don't forget to do these things for your father with a *smile* on your face!

I'll
walk
the
dog
for
you
