- Sentence cards - *copy, laminate for durability & protection, and cut. Store in enclosed Envelope.*
- Student sheet
- Markers

Activity

Students identify the meaning of affixes and base words by playing a matching game.

1. Place markers, header cards in a row face up, and sentence cards face down in a stack at the centre. Provide each student with a student sheet.
2. Taking turns, students select the top card from the stack and read the sentence (e.g., We loved the story so much that our teacher will tell it again.)
3. Identify the underlined words (e.g., tell it again). Say a word using an affix that means the same as the underlined phrase (i.e., retell). Identify the affix (i.e., re).
4. Write the word with the Vis-à-Vis® marker in the blank (i.e., retell) and place sentence card under the header card that corresponds to the affix that is part of the new word (i.e., re).
5. Complete the student sheet (i.e., write the meaning of the affix and the new words).
6. Continue until all sentence cards are sorted.
7. Parent / Educator evaluation
