## **Spring Home Décor Ideas**

**By Kritthaphat N.**

Spring is one of the most welcome seasons in our life. It signifies new life, new beginning and new hope. Spring colors are warmth and very refreshing. We don't need to wait for the spring season to enjoy spring. We can give our home a twist by setting up a spring theme.

To start off with your spring theme, your home décor should begin in your pillows and throws. The great way to spice it up is to do your pillows and throws with light and brighter colors. Transform your dull sofas with the warmth color of your pillows and throws.

If you are living in a cosmopolitan area with high rising residential buildings, you don't have the area to decorate your home with flowers and green plants. As most of us don't have the time also to culture such, it is better to invest in artificial flowers. There are many wide ranges of artificial flowers available in the market. With its innovation, these artificial flowers can sometimes look so real. So choose beautiful flowers with great arrangements. But also great vases and pots to put these flowers and plants. This is a great way to add life to your room. The only maintenance for this artificial flowers and plants are dusting.

Scents are always memorable and it is very pleasant to stay at homes with nice smells. You can splurge to different scents which can be acquired through candles, liquids and perfumes. Choose from delightful scents of candles such as lilac, honey, and lavender. There are also floral rings to spice up your home. A large scented candle and ring on the dining table is a great idea. You can add it up also with spring theme of table clothes, curtains and other decorative fabrics.

Most of the families spend a great deal of time in the kitchen or dining table. We love spending time with family eating having a great meal. So it is essential to have this classic spring concept manifests in your kitchen area. The dining table is always considered the basic furniture in the kitchen which most of the time large piece of furniture. Decorate the kitchen table with warmth spring colors. You can start with the table cover or mantle. Use pastel colors not only for the table covers but also for the table mats. You can spice up the table by using also spring related accessories such as pastel color plates, table napkins. It is best to accessorize your table by investing in a good looking spring theme centrepiece. One of the simple and great ideas for a centrepiece is a vase or nice looking tray filled with fruits such as lemons, oranges, green apples and other fruits with great colors.

These are indeed few ideas to warm up your house and add more life. Remember that there is no place like home. In the end of the day, we simply wanted to have a loving home with a pleasant atmosphere. And a spring theme home décor is a great way to stir up a dull home. It is only a matter of choosing the right colors to add life to your home.

## Designing The Perfect Home

By Mikael Rieck

Home decor is the most essential part of what makes your home into a real "home" at last, and not just the place that you live. Your home decor is always a work in progress evolving as your family and lifestyle goes through changes. To give your home a modern decor you could always refer to a fashionable home decor magazine, you will observe that modern home decor is all about using minimum furniture to decorate the room. One of the most beautiful touches you can add to your overall home decor is a luxurious drapery.

**Furniture** In our present day stressed life one would prefer to come home and relax rather than get more stressed in a house cramped with furniture, more than it can accommodate so the minimalist concept of less furniture more space is used in modern home decors. Space planning, flooring, lighting, furniture, and window treatments are just a few. Chances are you already have some furniture and decor items in your home, so if you're looking to create a new look you may not be facing that big a challenge.

**Design** The ability to create an interior design scheme that combines timeless elegance with contemporary day-to-day living will place you at the forefront of most people. The type of home decor you choose will impact the entire look and feel of your living space, and selecting just the right design can be an overwhelming decision. Lighting for the home is just one of the incredibly important factors of home decor when decorating and/or designing any room in your home. You may be looking for a specific design, or you may be just browsing around for something to fit with the home decor you have already chosen for the room. Even if you live in an apartment, the interior design of your home is very important to the way you feel when you are at home.

From casual to traditional to cutting-edge contemporary, home decor is available in a wide array of styles. Cheap home decor is just what you need if you're working on a budget. Since one person's cheap home decor is not the same as another person's cheap home decor you will have to make up your own mind on what constitutes as cheap home decor. The best way for you to get good cheap home decor is through the internet where you can browse through thousands of web pages.
