### Notes:

This exercise will help with word/picture and sound/letter recognition/association. Print all sheets on cardstock and laminate for protection. Cut out the cards with the pictures/words on them. Leave the blank sheets un-cut. Have the child place the cut pictures with words on the correct blocks on the corresponding blank sheets. This exercise will be helpful when used in conjunction with the Alphabet Picture Dictionary Activity Books. Blank squares have been left for you to create your own cards. Don't forget to write the word on the blank sheet as well. ☺
