

Happy Friendship Day

Poem on Friendship

by: Amit

The best of friends,
Can change a frown,
Into a smile,
When you feel down.

The best of friends,
Will understand,
Your little trials,
And lend a hand.

The best of friends,
Will always share,
Your secret dreams,
Because they care.

The best of friends,
Worth more than gold,
Give all the love,
A heart can hold.
