## Poem on Friendship

by: *Manjusha*

A Best Friend!

A friend that really cares,  
All my secrets I can share!  
There when i need a hand!  
There to understand!

When I cry,  
She will hold!

If I am away,  
She will call me day by day!  
If I need her at all,  
She'll be there to stand tall!  
Anything I say will be heard,  
She will listen word by word!

If I am late,  
She will open the gate!  
As she looks in my eyes,  
The sparkle she realizes!  
She is the one that cares,  
And the one that's there!  
That's a best Friend!!
