

# FLYING LIZARD #2

fold lizard in half,  
glue closed and  
then cut out.

step 1 - fold in half along line 1 to make a  
shape like this:

step 1 - fold plane up in half along this line

step 2 - fold in half along line 2 to make a shape  
like this:

step 2 - fold wings down along this line  
step 3 - fold wings down again along this line

step 3 - fold in half along  
line 3 to make a shape  
like this:

step 4 - insert lizard into center of plane. Tape or  
staple closed. Tape down any loose folds. Fly!
