

## Here's a song about how you should Use the Stairs

Song by Gloria Nissenson & Elaine Lifton

Never use the elevator.  
Always use the stairs,  
when there's a fire,  
when there's a fire.  
Elevators can get stuck and  
you'll get trapped inside.  
if there's a fire,  
if there's a fire.  
Use the stairs!  
Use the stairs!  
Use the stairs!  
Use the stairs!
