## **Valentine's Gift Boxes: Tips To Create One For Your Beloved.**

**By Peter Crest**

Tired of thinking up Valentine's Day gift ideas for that special person? Why not try one among the several Valentine's gift boxes? Not only are these Valentine's gift boxes available in a variety of sizes and themes, given such diversity, they are perfectly suited to your wallet too.

Which are the most suitable gift baskets?

- Candle gift boxes are eminently suitable as Valentine's Day gift boxes. Typically, these baskets contain a number of scented/unscented candles in different colors. That and the traditional romantic ideas associated with candles makes them perfect items for your gift basket
- Another suitable Valentine's gift basket / gift box is an assortment of romantic music. This could include love songs, new age music, and classical music – all designed to create a romantic atmosphere for an evening spent with your loved one
- You might also want to consider putting a collection of old romantic movies in your gift box, along with a couple of candles. So you and your loved one light the candles, curl up in front of the television, and spend a great evening
- This one is for the men only: why not consider putting together a gift basket that includes an exotic perfume, body talc, soaps, shower gels, bath salts, bath oils and aromatherapy candles? Your lady can enjoy many sensuous and relaxing evenings using these products

Alternative ideas

Not all gift boxes need to be traditional and time-tested. In a world of unlimited possibilities, here are a few more ideas:

- o You can put in movie/musical/opera tickets, a large gift card, and a cell phone in your basket. Or you can create a cell phone accessories gift basket with a charger, a cell phone case/pouch, and any of the numerous other accessories that are available.
- o Put together the latest bestseller, a few superstore coupons, and perhaps even a couple of tickets for

an amusement park

o Organize a surprise vacation with your loved one this Valentine's Day. So when it comes to the gift box, put in two tickets to Hawaii, suntan oil, sunglasses, maybe a sarong/ swimming briefs, and for all the men reading this, a sexy G-String bikini!

o Large cuddly animals have always been traditional Valentine's Day gifts. But personalize your gift box with smaller stuffed animals. Even better, if you can carry the gift basket/ gift boxes personally, it could actually contain a real puppy or kitten. Of course, you need to make sure he/she is ready for the responsibility that a pet brings with it

o If your sweetheart is a member of the health-conscious brigade, try a low-calorie gift box that contains an assortment of such delights as low-cal desserts and cookies, all healthy and inexpensive into the bargain. Watch that special face come aglow with pleasure!

Whatever you put into your Valentine's gift box, it needs to stand out for its uniqueness and thoughtfulness, so get started quickly. And remember the most unusual gift box need not necessarily be the most expensive.
